## **”SMART SOLUTION FOR A SMARTER FUTURE”**

**Established in 2016, RISING AUTOMATION has been a leading provider of advanced automation solutions, delivering excellence in automatic doors, sliding gates, boom barriers, dock levelers, dock shelters, access control systems, and industrial security solutions. With years of expertise and a commitment to innovation, we have successfully catered to residential, commercial, and industrial sectors, providing high-quality, durable, and technologically advanced products. Our automation systems are designed to enhance security, efficiency, and convenience, integrating smart technology and precision engineering for seamless operation. Whether it's automated entry systems, traffic management solutions, or warehouse loading dock equipment, we ensure that our products meet the highest standards of quality, safety, and reliability. At RISING AUTOMATION, we prioritize customer satisfaction, offering customized solutions, expert consultation, professional installation, and dedicated after-sales service. As a trusted name in the automation industry, we continue to push the boundaries of technology, making spaces smarter and operations smoother.**

# DOCK BUMPER

- Protects docks and trucks from collisions.
- Made from high-density rubber or steel-reinforced options.
- Designed to withstand harsh conditions.
- Available in laminated, molded, and extruded designs.
- Can be mounted on docks, walls, or other high-impact areas.

# DOCK SHELTER

A Dock Shelter is a protective enclosure installed at loading docks to seal the gap between the dock and the truck. It helps maintain indoor temperature, protects goods from weather conditions, and improves energy efficiency.

- Shields against rain, wind, dust, and extreme temperatures.
- Reduces heat loss and minimizes air exchange.
- Made from high-quality fabric with a sturdy frame.
- Adjusts to different vehicle dimensions.
- Prevents slips and hazards by keeping the loading area dry.
- Resistant to wear and tear for long-term use.
